FEATURES:			
1. It features an all-clear body, with integrated handle at 2 ends.			
2. Flat lid prevents odors, moisture, insects, and dust.			
3. The date tracker on lid to help homemakers keep track of food storage time to prevent it from			

expiring.

4. Temperature tolerance: -20°C to 60°C.

5. High stability of food safe test LFGB and FDA.

6. The color could be customized according to requested color. However, the simple and versatile clear colorless box and white date tracker is the best-selling option.

7. Do not use in microwave or dishwasher.

8. Recommended for storing food like dumplings in refrigerator as the raised stripes on the bottom reduce the contact area with food, minimizing the adhesion of flour to the base.

9. Compliant with the green philosophy of energy efficiency, emission cut, and resource reuse.

10. Perfectly suits for concepts like energy saving, emissions reduction, and circular utilization.
