FEATURES:

1. It features an all-clear body, with integrated handle at 2 ends.

2. Flat lid prevents odors, moisture, insects, and dust.
3. The date tracker on lid to help homemakers keep track of food storage time to prevent it from expiring.
4. Temperature tolerance: -20°C to 60°C.
5. High stability of food safe test LFGB and FDA.
6. The color could be customized according to requested color. However, the simple and versatile clear colorless box and white date tracker is the best-selling option.
7. Do not use in microwave or dishwasher.
8. Keeps food dry and fresh: the built-in drain tray separates moisture from food, letting excess water flow naturally to the bottom.
9. Compliant with the green philosophy of energy efficiency, emission cut, and resource reuse.
10. Perfectly suits for concepts like energy saving, emissions reduction, and circular utilization.
